## Event Overview

Celebrate the end of the year with your colleagues by taking part in a unique and engaging Christmas Cracker Making workshop! Led by an experienced workshop host, this event is perfect for those that are looking for a way to unleash their creativity and gives participants a chance to design, wrap and fill their very own Christmas crackers to enjoy with their friends and family this year!

With tonnes of decorations, foil, paper and trims to choose from, these will come in a variety of styles and colours, allowing you to mix and match decorations according to whatever style or colour scheme you have in mind - What could be better than that?

## What Happens At Your Event?

On the day of your event, you will all get to meet your enthusiastic workshop host, who will have already set up your cracker-making stations before the activity begins. Then, once you're all sat down, you'll be introduced to the event and shown all of the materials and equipment you can use to craft your perfect Christmas crackers.

During the class, you will get to pick and choose from the materials provided that'll include a host of decorations, foil, paper and trims, allowing you to stick to a specific style or colour scheme you may have in mind. By the end of the session, each of you will have had the chance to create your set of six wonderful Christmas crackers before taking them home with you to use and enjoy over the festive period.

## What's Included?
